I'm honored to have been able to know Danielle as family. She leaves behind a strong legacy about perseverance, faith, hope, strength and love. She was and will have forever changed the lives of all that knew her, she always made you feel important and encouraged. She will remain one of the strongest women I have ever known. We wrap our arms around Jason and Grayson as they navigate these upcoming times without her. She will forever be watching over you both. We will always be here to help, encourage and support you.

Jason and Grayson, our prayers are with you. Danielle was a sweet lady and though I didn't know her as long as some others I thought so much of her. I am thankful for her love of the Lord Jesus and His promises to us. I will continue to be praying for you. Love, Gayla Hayes

I have known Danielle all of her life and her parents were best friends of my husband and I. Danielle and her sister, Michelle, grew up with my two daughters and these are some of my very best memories! Danielle was a beautiful baby and child and grew up to be a beautiful lady but it was her inner beauty that drew many to become so close to her. Like her Mother, her love had absolutely no limits….she was so quick to put others before herself and leaves behind a legacy of love! I miss you but I know your Mom was waiting to welcome you home….Aunt Donna
