“ I will always remember her smile and sweet spirit. Growing up I would spend the night on weekends some. Aunt Jeannie always took care of us and was a hard worker. She made one of the best red velvet cakes. Love her and hope to meet her again.

“ “Sister Jeannie” What a Special Lady!! The world would be a lot better place to live, if we had more like her. She was a wonderful servant for the Lord. Always faithful to come to church as much as possible. When prayer request was given she would always ask people to pray for her children. She was always ready and willing to praise the Lord. When the Lord touched her, she would always smile and have that beautiful grin. We love the “Sweet Spirit” she had. So grateful the Lord allowed our paths to cross with Sister Jeannie. When we would talk to her about her GRAPICO'S if you didn't think you would like one. Afterwards you would want to try one. She loved the fish and slaw from CAPTAIN D'S. We are grateful to be acquainted with her children. And have grown to love all of them. There is a great void with the passing of Sister Jeannie's passing. But the MEMORIES that she left will last a lifetime. May God richly Bless each of you. Love to all!! Maurice & Teresa

“ Heaven gained another Angel! Sister Jeannie was a sweet sweet person. She always had a smile on her and wanted to be in church. She reminded me of my own sweet mother that's why I called her mom. The last time I seen Sister Jeannie I gave her a hug and told her I loved her, she hugged me back and said she loved me too. I will always cherish the memories I have of Sister Jeannie. She will be dearly missed. Love and Prayers for her family.

“ She always had a sweet smile on her face. I always loved to pick at her. Anybody that would come in to visit her at her house she would always ask if you wanted a Grapico. She loved her Grapico. She loved her kids and all of her family. She is gonna be missed by many.

“ I will miss my aunt Jeanie always! My fondest memories was of her having these huge weekend evening dinners when I was young! I was very close to her and she would say fiddle (part of my nickname :)) hurry and help me get the slaw made and butter the rolls when you are finished processing the slaw! I love the memories I have of our aunt/niece relationship that was so special, I was one lucky kid to have had her teach me a lot when I was young!
Here below is a poem that I wrote that describes how I saw her and her family!

Doris Jean Hornbuckle Flack
July 15, 2020

The day was sunny and very bright,
Like your beautiful smile that even shined when you smiled at night
You loved your family with all your heart
They loved you too and hate that for now you had to part
For it won't be too long, they will see you again

so wait for them on heavens shore and when the time comes, welcome them in

Rest now my aunt for your time has come,
No more suffering in this world full of fear

So now sing in that heavenly choir that your loved ones long to hear

I hope you are rejoicing with the Angels above in that beautiful heaven full of love

Rejoice with all of the loved ones that have long been passed

For they are welcoming you, as you are home now at last

Your family may miss you down here on earth,
but they know you're an angel now watching over them from above

You're beautiful smile will never fade, as you're smiling now in heaven and will each
and every day

Rest easy dear aunt Jeanie Your family loved you so

You are forever in our hearts and glad there was beautiful peace in your soul!

“ Love Ms. Flack, she was such a sweetheart. Ann is my best friend. When she'd be staying with her Mother, we talked, on the phone a lot. Loved hearing Ann pick at her. Ann would ask her to do something, and her main phrase, was always (I'm retired) and always asking who she was talking to. RIP, you're going to be deeply missed.

“ Sis. Jeanie was such a sweet precious Child of God! I will always remember her sweet testimony! She truly loved the Lord! Most everyone that knew Sis. Jeanie knows how much she loved to eat fish especially Captain D's. After we moved churches and we would come back to visit Union Grove, I would ask Sis. Jeanie if she had any fish lately and she would say no. I would ask her if I needed to get on to Sis. Ann for not getting her Captain D's. She would say yes and we would all laugh, although she might have had fish the day before. She still wanted it again. I had recently told my mom a few months back that I would like to go pick up some fish from Captain D's and take to Sis. Jeanie. I never got to do that but I know that Sis. Jeanie knows how much we all loved her! I will always remember her and thankful for the life that she lived before us. Sis. Ann, We Love you and We are longing for that day that we can join her in Heaven! Oh What A Reunion!!!!

“ She was always smiling and saying she was alright. But I learned early in our childhood to not make her mad.

Shree Benton - July 19 at 03:54 PM

“ We will miss Sis. Jeannie so much. Her smile always lifted my spirits. And she was always ready to testify! She was such a sweet, wonderful person. She has her race won! Love and Prayers for her family.

“ Sis. Jeannie was such a sweet, sweet sister. She reminded me a lot of my mother with her sweet, humble and quiet personality. She is a great example to follow. Just being in her presence would make me smile because you could just feel her love and the peace of God. She will forever be loved and missed. Sandy Walker

“ She would almost always before church say "What are we waiting on?" Bro. Roy knew every time that it was time to start church.
A couple of times I, Katrina would fix oxygen tube back in her nose. She would just say "Thank you."
When We had communion after all of us sisters had washed feet we were hugging, greeting and saying "I Love You, Sis. Jeanie!" She would always say "I Love You, too!"
She will be missed greatly, but we all have more to go to heaven for with Sis. Jeanie being there now.

“ I will always remember her smile and the feeling it brought. She could always touch my heart in those moments. Sometimes, she could even make me laugh! I remember one service, it was quiet. My baby turned around and was being friendly with her. She liked his attention. She then spoke out loudly the words “PRETTY BOY!” She kept saying it and saying it. It was so sweet! Sister Ann and I got so tickled because it was a little too loud!
I’m thankful we will always have those Precious memories.

Shields - July 19 at 02:05 PM

“ Rain, sleet or snow Sis Jeanie always wanted to come to church. If I didn’t get to hug her before church I would look back at her and wave and she would have the sweetest smile on her face. Sis. Jeanie will truly be missed.

“ So true!

Ann Hamer - July 19 at 10:15 PM

“ This is the way I want to remember Aunt Jeanie. I saw Her 2-3 times a week at Church. She loved to come and see her brothers and sisters. She for years she always wanted to know what page in the song book they were on. Our little Church will truly miss Her sweet loving face.
