What a wonderful woman...Always so kind and sweet. She made a difference in so many lives. She was my Sunday school teacher when I was little and her and her husband were wonderful to us kids. Still have a Christmas ornament that she made me. God bless

When Neda and I were growing up we did everything together from playing to dating
when we fussed, as sisters do, I would run down the hill with her right behind me. I would stop and wait on her on the bridge, she would always turn around and go home. I still wonder what we would have done, if she ever came on down. I was at her home in in Ark, when our Mother died, That was a long ride home. but it was a comfort to be together. I will miss her
