“ *My thoughts and prayers are with the family during their time of sorrow. Angie and her sisters were my 3rd cousins, although we were distant growing up I was always proud to tell people that I was kin to her. May you rest in peace Angie.*

“ *I remember Angie, the first time I saw her, I was playing football for Westlawn Jr High, and she was a cheerleader, the most beautiful cheerleader at school. I finally got to know her and she was just as friendly as she was pretty. I had just recently found her on Facebook and had talked to her and she had told me to stay in touch. I'm at a loss for anymore words except for my sincere condolences go out to Juell and her entire family and friends.*
