“ Mammie my heart is aching so bad not having u here hearing u laughing till we pee in our pants at Scooby being and acting crazy being funny. I wish I could hear ur voice again, telling u I love u again having one of our serious and crazy talks. I wish I had the answers to the questions I hold on to and trying to figure all the answers out searching high and low for those answers and I will not stop until I get the answers I'm longing and searching for cause like daddy has always taught his girls our heart will lie to us but our gut want always so with that gut instant. And I know exactly since day one when u got ur wings known exactly what my gut is telling me and now all I have to do is get the proof to back up what all along my gut has been saying and letting me know. I honestly will get to the bottom of all that took u from us.
