“ Barbara shared a few years of close friendship. My little brother Felton & her son Scott went to boy scouts together. I remember her as a sweet kind soul. I pray she lived a full life & she was able to lift her face to the sun & be happy. Scott, I'm sorry for you & your family's loss.

“ *This was the best friend I have ever had. She was my rock and salvation, steadfast and loving. We were grown together at the hip. Where you saw one of us, you saw the other one. We could not have been any closer than if we had been twin. She was my lifeline every day. Her house was my sanctuary. I loved this lady with my whole heart and soul. I will surely be lost without her. A part of me died with her and that part of my heart will never be filled again. I love and miss you my sister and best friend until we meet again on the other glorious side.*
