“ I just want to say that I will miss you Barbara and I loved you so much. I could listen to you play the keyboard piano anything forever. I remember one time a long time ago when we was all going to church together that you told me that I reminded you of yourself and that made me proud. I love you and I will miss you. So sorry I could not be there. I want to remember you the last time I seen you.

“ *Our heart felt condolences to the Waddell Family. I became friends with Barbara in 1972 when our family started attending the same church. She is one of the sweetest people I ever met. She loved Jesus and her family with all her heart. Pray Christ give you all his peace.
