“ To Betty's family...Betty was my good friend in school at Phillips High in Bear Creek. We touched base every so often but apparently not often enough. I have just learned of her passing and am so sorry. Betty was a wonderful, enthusiastic person which so many will miss. My condolences to you girls and the grands.

“ When my wife and I started attending the Senior center at Union Hill one of the first smiles we were introduced to was Ms Betty. We enjoyed her love of life and her love for Christ! Thankful to God that our paths crossed for just a brief time. We will miss her.
