“ *To Lamar and Michelle, You had a wonderful Mom. I knew her for more than 40 years at both Syncro and Chrysler. She was always smiling and always had a kind word no matter what she was going through at the time. She loved both of you so much and when the grand kids came along, she was so so very happy. I loved every single picture she showed me. I was thankful when she got to retire and have her time to enjoy them. Please take comfort in the fact that both of you were her greatest joy and she loved you so much. May the Lord comfort you in this time of sorrow and look to him for guidance in all things.*
