“ *Billy Sir, you are and will be missed brother! Another great man gone before his time. Only recently met this good man and got to share some time with him putting in a fence up here on our mountain. A man of character and compassion. Always ready and willing to help a friend or neighbor, an amazing husband, and all around great guy. A Veteran who served his country proudly. We are better people for meeting and knowing you, and honored to be considered friends. RIP Billy. You will never be forgotten.*
