“ I've known Billy since 2015 he didn't like me at first but, once he gets to know you he will be your best friend and give you the shirt off his back or his last dollar. He was always there to help other people in need. He loved his animals especially Mr. Cordell(his Chihuahua dog) he would bring him into the office every time he came so I could give his dogs treats. He knew I loved dogs as much as he did. I will miss you Billy it want be the same without you until we see each other again. Rest in Peace my friend and I can call you that because you was a good friend
