“ *Bobby was always such a inspiration to our family....my girls were young when he was in the military and looked up to him so much! He and Terry both have set such a good example for all the younger generation in the family!! It's sad that he fought many battles during his time in the service and "Praise God, he won those , and returned home to retire"! But when this dreadful thing called cancer gets a hold on you. you can fight a good fight , but yet still lose the battle!!" I know without a doubt that there has been some rejoicing in Heaven the past few days, as he joined his father, brother , grandparents and many more!!! You will ALWAYS be in our heart forever Bobby !!! So will your precious family. We love you all Terry!!*
