*That part about picking on those he loved, well he !just have really loved me. But I would spend as much time as I could at Boyd and Peggy's when I was in my teens. And many evenings, bringing my kids to their home, just to be with family! Boyd loved driving his orange and white Chevy convertible through Topanga Canyon Sunday afternoons, and I made sure I got invited. Always a good guy! Never missed visiting him on my many trips to AI. I loved that when he lived in CA, he would be sure to see if his Aunt Partheny needed anything. He was my favorite cousin. I would be there today to say goodbye if I could. I pray he never runs out of chips again! Or Banana milk shakes! Love to all,
