“ We were all so saddened to hear the news about Brenda's passing. We will never forget the countless visits we northern transplants made and that regardless of how short of a time we were there, or the short notice, Brenda always made time for us. She was a fixture. Whether it was talks about our love of books and sharing our favorite authors, catching up on our lives, or sharing those family stories that become familial memories with much laughter around the kitchen table. She was a fierce Mama Bear in support of her family, she had a strength that was not obvious and she will be much missed.

“ I am so sad to hear of this loss. Brenda was a precious friend and such a good mother and grandmother to grandsons. Steve, the girls and her parents will be in my thoughts and prayers. I will be forever grateful to have had her as a friend. May God Bless each of you.
