“ I met Brenda 21 years ago when I first moved to Morgan City, and from the very first day she made me feel at home. Over the years we built a wonderful friendship and I for one will miss this very special lady. My heart and thoughts are with the family and friends of Brenda, there will never be another one like her.

“ Brenda was one of the kindest most caring persons we have ever known. Her willingness to help others in need was amazing. We will miss her tremendously, but know she is in a better place. Brenda would have wanted each of us to live each day to the fullest and continue to pray for and support each other until we one day join her in heaven.

*In the 50's, I had the pleasure of living next to she and her parents at Bittinger;s Trailor Court. In February 2014, our paths crossed again when she was sitting up with her family member at Huntsville Hospital. I recognized her and we started talking about memories. Just as a teenager, she was so sweet and caring. She looked good and then I hear of her death. Such a loss on earth but a gain in Heaven.
