“ As others have said, Brian was a very nice, friendly person. I met him at work years ago before either of us retired, I even gave him a ride home from work one day. Very memorable guy. I was sad to see his name in the obits. I hope to someday meet him again.

RIP, Bryan!

“ *Sonia and I remember spending time with Brian and Donna at our sons' baseball games at Berry College. Brian always a smile on his face and a story to tell. Driving from Alabama to Rome and else where you could always count on Brian setting up shop for another weekend of what he and Donna loved so much...watching their son Patrick play ball. It was obvious just how much Brian loved his family community. He always had something positive to say and loved to laugh. He will be missed.*

“ *I had the pleasure of meeting Brian and his beautiful wife Donna and daughter Katie through the baseball program of Delta State University where Patrick was the catcher. My son Jon, came to Delta via a junior college in August 2011. We traveled all across the United States to watch Patrick and Jon play ball. We enjoyed so many memories with Brian, Donna, Katie and Patrick. Such a fine, God-loving family. Patrick was so gracious to my son Jon and taught him how to be a leader on his Delta State baseball team. Jon got the fortunate opportunity to represent what Patrick taught him at Delta State as the catcher last year after Patrick graduated. Brian did a wonderful job in teaching Patrick the important things in life. The last time we had the pleasure of visiting with the Taylor family was at a ball game last year in Georgia where Katie was a student. It was great having them in the stands, enjoying a game that we all loved. Brian is rejoicing with the Lord and his family will continue to honor his name through their faith. Many blessings from the Carnahans.*
