Oh Mary im so sad. I called was gonna say hello and check on him. I had not called him in a long time. Had i known about it i would have come to the funeral. I hope you get this message. I would love for you to call me. My number is 256 738 6597. This news has broken my heart. He was one of the best men ive ever known. He and my brother shared the same birthdate to my brother down to the year. They were both laid back and always wanted to help someone. If at all possible id like to talk to you.

“ *I loved Bruces quiet sense of humor. I remember him wearing the visor with white spikey hair and laughing with him about how good he looked. Whike quiet, Bruce had a firm handshake and a stoic sense of friendship and care. I trust we will see Bruce again in Glory.*

“ Bruce, you will be greatly missed. I had the honor and privilege of working with you for 19 years. Not only were you a coworker, but a great friend. You was always a hard worker and always had a great joke to tell to keep everyone laughing. I learned so much over the years from you, and feel like I'm a better person today because of you. My thoughts and prayers go out to Mary and the entire family. you will always have a special place in my heart and I look forward to the day we see each other again.
