“ Jennifer, Madison & Ethan,

*I worked with Carol at Norris Cylinder since 2006. I am happy to say that she was not just a co-worker, but my friend. She was one of the most kind-hearted, loving persons that I have ever known. Her love for you was evident, both in words and in deeds. She talked and laughed often about you and shared that she still had Sunday School with the kids even when she could not go to church. She called me about a month ago and was so upbeat and cheerful that she made me feel better, and as always she was thinking and asking about others. Her love and faith in the Lord was so strong - you could see it in her face and hear it in her voice and these are things that I will cherish, and I know you will too. Her life has touched the lives of so many around her, and I'm sure her impact on others we will truly never know. I am so happy that she is no longer in pain but she will be missed by all. May God give you comfort and peace during this most difficult time.*

*My love to you all,*

“ Carol and her sisters were my friends from childhood. She was always one of my favorite people. We went to the same church, school, church and school activities. The world will be a little less bright without her beautiful smile. When my Mom passed last year, she was one of the first to send me her condolences. I still love all of you sisters and brother. Carol will live on in my memory of a Christian sister and sweet friend. Ill miss you Carol, but Heaven will be more bright because of your sweet presence there!!

“ *Carol and I worked together (long distance) at Norris Cylinder for several years. She always had a smile in her voice and a gentle way about her. She was very caring about all those whose lives she touched upon. I was sad to hear about her passing, but I know that she is now in a better place and has been reunited with loved ones. God Bless and keep you. Praying for her family during their time of mourning.*

“ *Carol was my friend, my prayer partner, my shower and white-Bible ceremony giving helper, my nursery coworker, and one of the greatest blessings God has honored me with in this life! Her smile always brightened even my most depressing hours! I'm so sad for the fact that she will not be here to cheer us on for a while, but I'm thrilled that she is out of pain and waiting for us in Heaven! To Carol's family, I love you all and don't hesitate to ask for whatever you need!*

*Carol was a very special person. I first met her when she requested that I teach her granddaughter, Madison, piano. Carol especially found pleasure in observing Madison progress in her piano studies. Carol, my late husband, Vern, and I, formed a special bond, as she and my husband battled similar illnesses. Despite her illness, it was always a pleasure to speak and visit with her. I will miss her. I extend my heartfelt love and sympathy to her family.*

*Cousin Carol was a blessing to me over the years since we first met several decades ago. A very sweet young lady who had a deep interest in the history of our Simpson ancestors. Now she is in heaven meeting all our forebears. May she rest in peace and my condolences to all her family with loving affection.*
