“ Carol and I went to school together in Poolesville and our mothers worked together at the Elementary School. Although there were many years of no contact we reunited through fb over the past year. I can remember as little girls playing barbies for hours day after day. Ill bet she enjoyed playing barbies with Riley as much if not more than Riley. I'm heavy hearted and deeply saddened that such a beautiful friend, daughter and mother has gained her wings. She has always been an angel who projected such a bright light of life. My thoughts and prayers are with Mr. And Mrs. Fletcher and little Riley.
