“ *Sue is such a beautiful sweet and kind lady. She reminds me so much of my beautiful sister that passed years back. I always waited on her at the bank. She is one of those people that you always remember her smiling and always soft spoken with only kind words. She made a big impression on me. You all were so blessed to have her as a momma, grandmomma and friend. I am sorry to hear of her passing. But we all know GOD has another angel with him. Bless you all and I fell blessed to have known Sue.*

“ I was so saddened to hear of Sue's passing. Sue and I were good friends back in our teenage years. We shared a few secrets, also. I will never forget her smile and her laughter. She had a great sense of humor. Her Mother and my Mother were friends also. They loved to get together and talk. I knew all of Sue's brothers and sisters as well. The Talley family will always be fondly remembered by me. I send my condolences to all of Sue's family. To her children, may you be comforted by your memories of your Mom. Knowing Sue, I know she cherished you all so much...it was her nature to love and care for others. She was a great lady!
I am remembering you all in prayer.

“ I lost a sweet, beautiful and gentle friend yesterday!!! I will miss her sweet smile and gentle ways in my Sunday school class every Sunday!!

In my opinion she went too fast but I know our Heavenly Father had a much better plan. I know she is no longer in pain. My comfort is knowing she is with Him. Best comfort one can have. I loved her and told her often. Never will forget her sweet smile!! Judy Barger
