“ *Blaine was a loving, kind, friendly young man that was given to my family on June 24th, 1990. I was honored to be called Aunt Joan... His death has devastated the family that no words can express. There will always be a smile on my heart when thinking of him. He left us way too young with memories left unmade. My heart will always have a hole from missing him and the hugs and kiss on the top of my forehead I will no longer feel. I love my Bug Tuz as I know he loved his family.*
