Our condolences to Josh, Christi and Charlie's family, he will always be missed. I've had the pleasure of being friends and working with with Charlie beginning in 1974 when Charlie was hired. He was a gifted mechanic and fabricator and freely helped so many people including myself. Charlie was a cool headed guy with a great sense of humor and I'll always remember and cherish the motorcycle rides we used to take when we worked off swing shifts. I was fortunate enough to also become friends and work with Christi his wife...she & Charlie made a magnificent pair and my heart goes out to her for her great loss. RIP my good friend and thanks for all the fond memories!
