“ This was sad to hear. Arab has lost another pioneer. A pioneer which helped develop Arab into what it is today. Everyone from miles away knew Dr. Mann for the person he was. When I was young, Dr. Mann, Dr Bonds and Dr. Cox were the only Chiropractors in Arab . He did pass his personality, charm on to Dr. Andy Mann and sure to others.

*Please accept my Condolences. I will keep all of family in my Prayers. I Pray, God will give all the Peace and Comfort as only he can give. Celebrate, he's made it to his Heavenly Home..Rejoice. God has called another Great Man.
Prayers to all the family*

We, the Arab High School class of 1953, have lost a dear friend.

Reginald, along with Katie, were faithful in attendance at the reunions and luncheons. One year he scheduled a reunion at Cherokee Ridge for us.

Reginald was kind, considerate, caring and giving. One year there were conflicts, and he could not attend a reunion. Therefore, he came by early to leave money for a classmate.

Our memories of all the fun times will stay with us forever and he will be greatly missed.

Our prayers will continue for Katie and the family in their loss.

Katie, Linn and I are so saddened at the passing of a true friend.

Chuck was always kind and nice to us all these years, and that means a lot. We will truly miss his friendship, but will continue to remember the good times we all had together. God bless you and your family. Love you.
