“ Our entire family sends prayers for you at this time. Charles has such a special place in our lives because his Arab shows were the most fun for our two daughters with their horses. He allowed our youngest daughter Amanda to open a charge account at the concession stand when she was just 5 years old. When the show was over that day the rest of us piled into the concession building to eat. We asked what was good and all of a sudden Amanda piped up and said, "The hamburger is good, so is the hot dog, and all of the chips are too. And the candy bars are great desserts ". We looked at her and said , " How do you know?" . She answered, " Cause I tried all of them while ya'll were showing. Mr Charlie let me charge anything I wanted." Her tab was \$17.00. We still laugh about it when we reminisce about the Arab Shows. Mr Charlie will surely be missed. Sincerely, Fred and Patte Stone, Katy Stone Agliano, and Amanda Stone Davidson.

“ I will always remember Charlie that's for sure. My heart goes out to Judy and the family. The Grandchildren that he loved so much and talked about his loving family all the time . Charlie was Charlie no matter where you were he was always smiling or laughing and telling you something to make you laugh. I know Charlie was talking to me about when he had the wreck he said I should have died but he said God wasn't ready for him . When he had his heart attack he said the same thing to me , but God was ready to take him home . I haven't gotten to see him in 4 years but I always thought about him . He was such a nice friendly man and will be missed so very much. Charlie I know your talking and laughing and telling no telling what kind of story's , cause you have a bunch to tell for sure. Love you Charlie and prayers for Judy , your boys , your Gramdchildren that you loved alone with the rest of your family!!! Mitzi Whisenant
