“ On behalf of Santa and Mrs. C, we would like to send our condolences to our adopted Uncle Clyde's family. We cherish the memories we had with him while our dad was in the same room going through his rehab on his hip. I enjoyed my visits with him and would bring him a strawberry shake and also bring him a home cooked supper which he enjoyed. We loved him as a family member and we know that his real family will miss him. You all will be in our hearts and prayers.

Love Gordon and Ellen Mahathey

This Man made the biggest impact on me as a CNA ever. I called Him Papa Clyde. We all did. He was one of the most humorous sweetest man I have met. I would bring him Dairy Delight almost every week. Small diet coke.. fry and a jumbo cheese burger... Oh it made his night! That and WWE wrestling or a good western and he was set. Never failed to put a smile on our faces. I can still see his face as I received report and stopped in room 216 to see him what seemed like everyday. Miss him. Condolences to his family... So glad to have known his as long as I did.
