“ Only knew Miss West for a short time. But the time that I shared with her was most memorable. I enjoyed taking care of her I loved hearing her jokes and to hear her tell me of her past. She loved her children and loved her grandchildren very much. Even though I did not meet them it was as if I already knew them. Miss West stole my heart just for the short time that I took care of her. She will be missed very much and I love her. She is at home with her husband no more pain No More Tears. Heaven gained an angel.
