“ *We want to send the family our prayers. Tony and I loved Daniel we watched him grow up into the man who love God so much. He was a wonderful caregiver he had that wonderful gift of caring. I don't think I ever saw him with out a smile and joy in his heart. God truly blessed him with His word and the ability to preach it. I never got to hear him preach but I have heard some his congregation talk about his sermons. I have read all the wonderful and blessed things his family and friends have said about him. Yes he was very blessed not only with Gods word but he had a wonderful wife Lisa and two beautiful children. The last conversation we had he said he was happy and he said that God had truly blessed him. Our love and Prayers to all his family Tony and Tammie Cole*

“ Where can I startDaniel he was a great man and great friend he knew exactly how to help people in need and knew what to say when you needed to talk. Personally Daniel helped me through a rough time of my life and understood everything I went through and knew how to help me through but now I look back I can thank him for helping me and being there. Daniel go rest high upon that mountain
