“ I regret to hear of Danny's health issues in past year. I do recall a wholesome, bright teenager at Arab High who consistently had a smile on his face. He excelled in football and the classroom. We were all much younger then.

*I have wonderful memories decades later as his family grew and prospered.*

*I am fortunate to have known and shared decades with the Maze and Gibbs families.*

“ *I really enjoyed getting to know Danny, not only as a teammate but also as a fellow pharmacy student. Danny was a couple of years ahead of me but we would help each other keep our confidence that we could play ball and get our pharmacy degree. It was always an encouragement for me to talk to him and to see him at the pharmacy school.*
