“ *David, when I first met you, I remember riding around in your little red Mustang, your driving scared me half out of my wits!!! I would be screaming and you and Kathy would be laughing. You always calling momma fuzzhead. The depths of love for your girls, your grandchildren, how you loved to play softball, and it goes without saying but, how you loved the Alabama Crimson Tide. Although our hearts are heavy, we all have good, happy memories of you that will never fade. You are in our hearts forever. Rest in peace my dear brother-in-law. I love you.....Donna*
