“ To a wonderful mother-in-law and an even sweeter grandmother: thank you for the love you gave us. Even though the miles between us kept us from seeing each other as often as we liked lately, the bond you had with the kids was so special. They adore you, and we all feel the weight of your absence. I'll always cherish the times we did have and find myself wishing for just one more afternoon of hanging out like we used to. We love you, we miss you, and you will always be in our hearts.

“ Aunt Debra Ann will be missed. Thanks to her I'm alive today. Without her I would've never known about the cancer gene are family has. She walked me through each step to make sure I would still be here. Rest easy aunt Debra.
