“ *Deann will be missed by all. She was always so upbeat & positive! The highlight of her life was those precious grandchildren. She was so proud of you Nick & Casey! She has been such a dear friend to me since the day I met her in Germany at the bus stop! We had a lot of good laughs about that. God crossed our paths for a reason. My prayers are with you all. Heaven gained an angel the day we lost precious Deeann.*

We agree with Christine, DeeAnn was a strong woman and an inspiration to me and to many others who knew her. In spite of her long battle with cancer, she faced her life with such a positive outlook. May her family be comforted knowing that her spirit is at peace.
