“ *Dinah was one of the most beautiful people I have ever known. She could paint the most beautiful pictures and make the best food i've ever put in my mouth. She always had an ear if you had a problem and she never judged you she just simply gave you her advice and hoped you made the right decisions. She was a very loving and caring mother, grandmother, and friend. I will miss her very much. I'm praying for the family and hope that you can find peace in knowing that she is probably up there helping God paint the skies in all of your favorite colors.*
