“ My aunt Toots was so helpful when I was growing up .She would make sure my hair was cut and done. Since my mother was I'll most of my life and passed when I was 11 yes old .I could always depend on aunt Toots .she was a beautiful kind person who I looked up to as a role model.I seem to remember her coming home while we were visiting in a crisp black and white waitress uniform she was so beautiful and remained a beauty for all her life.
