“ Judy and family, I am so sorry for your loss. I remember, years and years ago, when The Elrods had the egg weighing and processing business in down town Arab. Ailene Light, my mother-in-law, worked for him many, many years. She thought so much of the entire ELrod Family and all of there help. She was raising 7 children and needed a job. She was so thankful they hired her. Throughout school, life in Arab, we all became very good friends of Don. Don had that calming demeanor and was so down to earth. Heaven has just received a wonderful angel. Judy, you and your family will see him again in Heaven. What a rejoicing that will be. I will Pray, God will give you and your family Peace and Comfort during these times. Time doesn't heal a broken heart, time only makes Don's passing more bearable. My Deepest Sympathy extends to all Don's family.
