“ I pray that God will wrap his arms around the Calhoun and Law families at this sad time.

It was my priveledge to know Donna and enjoyed her friendship over the past year with each other thru work at at&t. As i think of her, I can hear her laughing at some off the wall comment i made. She and I shared many laughs and conversations that brighten my day. Donna was a great Project Manager for our team and will be missed tremendously.

“ As a colleague of Donna's, we didn't have the opportunity to meet personally, but we spoke on the phone regularly. During one of those conversations, we discovered we both enjoyed cue sports. Those chats provided an enjoyable relief to work chatter. I am so sorry to hear of her passing and extend my deepest sympathy to her husband and family.
