We lived in Ruth so it was a given to visit The Heads at their store. It was always a treat to have a conversation with her, I think Shannon competed with her. Lol ,really special folks!

“ I loved Mrs. Head and always enjoyed seeing and talking to her. We didn't get to attend her service due to having COVID. I was so sorry to miss it. She will be missed greatly at church and the station.

She was one fantastic lady. I moved to Hville in 1993. I frequent Arab. Even in her nineties, she knew me by my name and always inquired about my family, by their names. She had great dignity. She always had her makeup on, dressed as if, she was going to church and always had her beautiful smile. Even after her broken bones and back at the store, she continued to smile through her pain. She was one classy lady. Shannon and girls, I am so sorry for her passing. We've lost another pioneer of Arab. She's at Peace, no more pain.
