“ My deepest condolences for Doris' passing. It is never easy to let someone go, especially someone as sweet and dear as Doris. My heart goes out to her family in Arab and beyond. Doris was always kind to me and my sister. We (me especially) LOVED to go visit her on "the mountain". I remember going blackberry picking and the time she taught me I could dye clothes using plants, sorry about the pink t-shirt, Mark! I remember the family reunion we had and when the swing broke! So many adventures on "the mountain" (Sand Mountain, AL). Doris was the epitome of what a lady should be and set a primary example for me. Reunited in Heaven with her brother and sisters, mother, husband and son ...rest well, Doris. We love you.
