“ *Billie, I never had the privilege of meeting your Mother, but if you are any indication of the woman she was, then that says alot for her. Some of my children and grandchildren were blessed to have you as a teacher and you made such an impact on all of them and on me! May God grant you the peace that passes all understanding during this time of grief for you and your family. Take solace in the knowledge that as Christians death is not a "forever" separation, it is only temporary and we will see our (fellow Christian) loved ones again in Heaven. I don't know how people who don't have that peace can cope in a situation like this. If I can do anything, please call or messge me. Love you.*
