“ My gosh we were so close at one time! I remember seeing the little blonde headed and blue eyed boy for the first time! He was around 5 years old!! We shared many great memories together! I'll always cherish those good times! I can still see Donahue and Debbie Jo, back in the day! And sweet Dusty in tow.... he had some battles to go through, and he came out like a champion! Now God gets to see him every day!! I'll miss him so much, even though I have not seen him in a while!! I love y'all, Debbie, Donahue, Danieale.... and I'm here anytime.....
