“ Gene was a man of honor--we regret not knowing of his services earlier so that we could have paid our respects. My favorite memory is he and Todd restoring the engine of an old Ford Bronco that Todd found in a junkyard. It had its challenges, but they managed to have a good time and Todd learned a thing or two along the way. We enjoyed driving it with the top off, but hated the 8 miles to the gallon. We would always stop by the shop behind the Trooper Post to say hello to Gene after we moved away. He was always smiling. We send our heartfelt condolences to the family and may God comfort you as only he can. Much love and respect, Chere & Todd Fulmer
