“ *I remember very fondly the large family gatherings we would have at my grandparents house. There were always many cousins running around and we had great times. I always would ask my dad if Bud (Elbert) and Louise and their kids would be there. I knew if they were there, we would just have more fun because they were very fun loving, easy going, and jolly people. I know that Louise had a very big part in making their whole family special. She will surely be missed.*

“ I have known Louise my entire life. I have amazing memories of being in her home, her wonderful hugs and her amazing smile! But most of all her love for Jesus shines the brightest! I will miss her, until I see her again with our Lord.

Moved into our neighborhood when I was 8 or 9. Remained my Mom's neighbor until my Mom's death. Louise was sweet and supportive and will be greatly missed by everyone. To her family, I am so sorry for your loss.
