“ *I cannot imagine having had a better Aunt than "Aunt Kate". She was always there for us and was so attentive to us as children and young adults. The memories of spending the night with her are so vivid. She always made us laugh, and made sure we had a fun time. She would do our hair, read us books, and take us anywhere we wanted to go. What a treasure she was to us all. She was a devoted sister to my mother. She will be missed, but she will live forever in our hearts. Gayle Myrick*
