“ *Eunice was a very special person .She stayed with our mother for several months making sure she was safe when we couldn't be there. She was a good friend and much like a family member. Her deep abiding faith in God sustained her during the tribulations of life. Thankful to have known and shared many conversations with her.*

“ *Meekness, kindhearted, loving and long suffering are just a few of the virtues that describe our sweet Eunice. I was only a sister-in-law but she always made me feel like a sister. We will miss going to see her and reminiscing family events and laughing. We loved her dearly. Joe and Barbara*
