“ I was just quoting her today. They were visiting me when I lived in Mobile. I can't remember now what she and I were trying to do, but it was tricky. When we had accomplished whatever it was we had set out to do I said, "Where there's a will, there's a way. " She laughed and said, "No, when there's a Brenda and a Fay there's a way. " We had some great times together. She was quick to laugh and just as quick to straighten you out if you needed it. That was my Aunt Fay and I loved her!
