“ Rex and family, we send our deepest condolences to you all. ‘Mama Isley’ was a very special woman to me, my family , and to everyone that knew her. She will be missed greatly. I pray that all may find peace and comfort in the memories of the wonderful woman that she was. She was a true inspiration to me. Her kindness, her strength, her love for all was admirable. I wanted to share just a few of my memories with you all. She taught Kristen and I the wonderful art of stained glass. The pieces that she showed us that she had made were beautiful! She was so talented. I was a bit intimidated by the process of cutting the glass...she said “ don’t be afraid, if you make a mistake, we’ll cut another one” lol She was so very calm and encouraging in the way that she taught us. I will cherish those memories forever. We use to run into each other around town frequently while running errands and we would talk and talk, and talk. We would both try to make our conversations short because we had things to do, but then we would continue to talk some more. Alan and I had the pleasure of meeting her when our children were very young, she always made us feel as if we were a part of her family.

*Sending love and light to you all during this difficult time. Sincerely,
Kathy Charles & Family*

RIP Mama Isley ~ You will be in our hearts forever.
