“ I am sorry for your loss and hope you all find peace. Katie you picked a long life partner family. You and your children can be proud that their paternal great grandmother Bernadette Siegner Gallagher also lived to be 94.. Dan Smalley of Arab has been a friend for over ten years as a co member of the Farm Foundation. His partner sang in your memorial choir today. Proud of Tyler and his life partner selection and your family. Treasure his pottery gifts. Helped his great uncle Malvin orginally buy the Ford Falcon Tyler has restored. Uncle Melvins first new car..Paid cash and we drove away from dealer in less than and hour. Hot car.

“ On our trips from Texas back home to Alabama, we were always eager to visit beloved family there. I can remember arriving at Aunt Flonell's and seeing her on the riding lawnmower coming from the backyard toward the driveway with a beaming smile when she saw that it was us. Talk about those loving memories; my aching heart overflows. Aunt Flonell and I laughed when she would reminisce about one of those visits when my sister, Brenda who was a youngster, told Aunt Flonell that she wanted some turnip greens. We were spending the night and it was Late - bedtime Not mealtime. In a much later year, I remember, too, the delicious Southern Cooking!!! that Vivian's Lyndall prepared and brought to Aunt Flonell's for gathered McCrary family to relish! I remember Aunt Flonell getting out family and historical pictures that Uncle Harvey had taken so that we could enjoy them and marvel about the olden times. I/we love you dear family and hold her memory in our hearts.
