“ I first met Sam McGhee in February 1995. Sam had been working with Thiokol for a couple months and I just hired in. I remember that it wasn't long before I found out that Sam loved the Auburn Tigers, Golf, and his family.

I worked with Sam McGhee for over 15-years and was honored to do so. I remember being in a 4-man grouping with Sam in the second year of Thiokol's Golf Tournament and being amazed at how well he played. He made a very difficult game look so easy.

At times, he seemed to master life like he did the golf course. I was saddened to hear that Sam McGhee had passed away but I know for sure that he lived his life to the fullest extent. I'm not sure what awaits a soul in Heaven but if there are golf courses for those who struggled mightily on Earth surely Sam McGhee is there to instruct them today.

GOD Bless each and every member of the McGhee family today. Wrap your loving arms around them as they struggle to understand why great people have to leave this Earth. Please know that our prayers are with you today and in the days ahead.

Sincerely,

Sam and I worked together for quite a few years in Quality Assurance Dept. at Thiokol/ATK. We always found ways to have fun and get the jobs done, too. Sam had a good way with people, and was always fun to be around. I will surely miss him, as I know his family will. Rest in peace my friend, and may God bless the family.
