“ Mawmaw we have made some amazing memories but my most favorite one we made together would be Christmas 2019 when we got you a new record player and you were so excited! So one night we put it together and you put your favorite Christmas record in and turned it all the way up and we had a dance party in the living room with all of us! You had the biggest smile on your face and I will never ever forget that! Mawmaw we miss and love you so very much but I know you are living it up in haven right now and I'm sure you are talking Gods ear off 🙏 keep watching over all of us Mawmaw and just know we truly miss and love you! You have gained the most beautiful set wings and now Fly High and show them off 😊

Love your One and Only
Daughter In-law 💜
