“ *I will truly miss Glennis. She had a loving soul and heart. If you had not seen each other in awhile it was just like you picked up from your last conversation. Glennis, Jeanette, & Julie made 9th & 10th grade at AHS the best. The best friend a girl could ever have. RIP sister God needed our angel on earth with him.*

“ *I am so saddened to have heard this. She was the absolute sweetest lady I had talked to delivering my mail. She always asked about my grandchildren if she hadn't seem them in the yard for awhile. We will miss her dearly. I'm sure my dog will as well. Thoughts and prayers to her family. Mrs. Glennis may you R.I.P.*

“ My memory of Glennis was Church.. How wonderful she was with the childrens church and how grown she was at a young age. I would watch her in church along with kerri and how just so calm and collective they where and trent on the piano. I miss everyone of them at church. Im in another closer church to home. But God as their church was the Focus. God the Father.. Has a warrior of an angel... Even though i seemed distant in church or out. Its because of the success the Bailey's had. The raising of these wonderful brothers and sister... I was the only child.. So seeing the relationship between them was so appeasing! I will miss you Glennis.... You are home now!! Give my dad a big hug!!!

I worked with Glennis many years, and she was always cheerful, upbeat, and had a contagious laugh. We had a lot of fun together. She will be missed. I'm praying for her husband and family that the Lord will provide strength and comfort.

“ *Glennis and I met almost seven years ago through Relay for life and knew immediately that we were brought together for a reason. Our friendship grew and we became more like sisters than best friends. We spent endless hours talking and sharing, we had so much in common. She and Hunter started going to church with Jon and I and became closer than ever! I was there for her through her loss, and she was there for me when I lost my mother and my mother in love. She always thought of others before herself. I have never known a more loving and thoughtful human being. God needed her with him, he had a job for her in heaven. Until we meet again sister. I love you!!!*
