“Gloria Dean was a very independent and strong willed lady. We did things her way. She was always on que to keep us in line. She gave us all love, strength and encouragement. The Davis family reunions on the 4th of July with fried chicken, watermelon and home made ice cream were always a special time for reuniting with each other. She always supported us in our choices and helped us to see through our mistakes and grow from them. Dependable anytime she was needed. She will be deeply missed but will remain in our hearts forever.

“I had such wonderful memories of going to visit them in Alabama. She and Doug always made us feel so welcome. When we got to see them again after our move to Nashville, they just picked up exactly where we left off. They were such wonderful friends and I was lucky enough to be their family. They were so kind to our sons and we were fortunate that Liam was old enough to be able to remember Gloria. We pray for comfort for her friends and family.

“ So sorry for your loss. Gloria was the love of your life and held a very special place in our hearts as well. We are miles apart but always connected at the heart. Sorry that we were out of town and received your message too late for us to attend but our thoughts and prayers are with you and all the kids. Hugs to all from Indiana. Sweet memories!

“ Aunt Gloria sweetly loved on everybody in her world with acts of caring, words of encouragement, thoughtful gifts, food, and hospitality. I especially loved the way she loved all children and made them feel important. She and Uncle Doug went out of their way to visit us. Special memories include meeting us at Disneyworld, joining us on a camping trip to Desoto State Park, coming to our oldest son's wedding and their motor home pulled up to our house in Dallas where she quietly slipped out to get a can of Ranch Style beans to add to the supper I was scrambling to prepare from a bare pantry because it was so hard to get to the store with three little boys under the age of 5. I remember a visit to their home in Union Grove, AL, the candy dishes full, and a newly purchased Slip n' Slide she had bought for the kids. She took care of everybody-family and neighbors. I am so grateful for so many wonderful memories and for the example she set for me as wife, daughter, mother, and grandmother.

*Our family and many others will miss her greatly.*
